To Whom It May Concern,

I am again writing after reviewing my Equifax report dated March 21, 2026. The items listed below continue to be reported inaccurately, incompletely, or without adequate correction after prior disputes, and I request a fresh reinvestigation and correction or deletion as appropriate. For reference, the Equifax report I am disputing is identified as Conf# Conf# 4051539145. If you previously verified any of these items without making the requested corrections, please provide the method of verification and the source of the information you relied on during your reinvestigation. Please correct or delete any item that is inaccurate, incomplete, or cannot be verified after a reasonable reinvestigation, and send me an updated copy of my credit file once your review is complete.

Sincerely,

A handwritten signature in blue ink, reading "Carlos G. Suarez", with a stylized flourish at the end.
